

DOMAINE LA
BARROCHE
CHÂTEAUNEUF-DU-PAPE

The winery, passed from generation to generation since the 14th century, extends over 37 acres of sand and large pebbles, nearly half of which is planted with one-hundred-year-old Grenache.

"We put our heart and soul into winemaking and are deeply-rooted in Châteauneuf du Pape. We are proud of our heritage, down-to-earth, and hard working, and aim to offer you the best possible wine, while continually striving for excellence."

FIANCÉE DE DOMAINE LA BARROCHE

Irresistible...

This wine combines two seemingly opposite grapes:

100-year-old Grenache and young Syrah.

However, these two varieties complement one another beautifully: a graceful blend of power and finesse with fresh fruit aromas, flowers and spices.

This label was designed by Barcelona artist Carlos Pazos, who was awarded Spain's 2004 Plastic Arts Prize. He is a great lover of France, where he works a good part of the year. Carlos' drawing beautifully expresses the synergy of this unique blend from Domaine la Barroche.
